YOUR JOURNEY ALONG THE SEINE RIVER

Paris always sizzles while Normandy beckons with its stunning coastline, artistic beauty and incredible food. Monet's Gardens and the charming harbor town of Honfleur, will inspire you the same way as they inspired the great Impressionists. For inspiration of a different kind, travel to the unforgettable beaches of Normandy where Allied forces landed during WWII's D-Day invasion or witness the site of Joan of Arc's historic martyrdom. Relive the grandeur of royalty at Château de Bizy, once referred to as "the Versailles of Normandy." Blend a passion for the good life with culture, art, architecture and timeless landscape in Northern France.
