

# DOG DAY

## *at Wolff Vineyards*

We are so excited to announce our first ever **“Dog Day at Wolff”**. If you know us, then you know how much we love all of your furry friends, so we wanted to create a special day just for them!

The morning will begin at 11:00 am with a guided and leashed 1.5 mile pack walk through our vineyard where we will explore areas that are usually inaccessible to the public. After our wonderful and wet winter, the vineyard is green and teeming with flowers, birds and other wildlife, so it should be a beautiful excursion.

Upon returning to the tasting garden we'll be met by several vendors offering information on their products and services; Howell-n-Good Doggie Dentals, Lemos feed and pet supply and Thousand Hills Pet Resort and Grooming. In addition, locally famous Chef Andy will be serving up his tasty smashburgers to feed all the hungry humans.

The date is Saturday April 6th and we suggest arriving around 10:30 as the Pack Walk will begin at 11:00am. Please wear sturdy but comfy shoes and bring a hat and sunscreen. This event is free to attend, but please email [clint@wolffvineyards.com](mailto:clint@wolffvineyards.com) to RSVP just so we can get an idea of a headcount.
